**Final Project: Preliminary Results**

**Due Date: Tuesday, November 26<sup>th</sup> @ 11:59PM**

**Total Points: 5.0**

**Assignment:** Prepare a one-page summary of the preliminary results for your Final Project. This should include:

1. (0.5 points) **Task:** A concise description of your task (1 or 2 sentences).
2. (3.0 points) **Results:** A table (or graphic) summarizing your main results. Summary results should also have a baseline against which you can evaluate your approach.
3. (1.5 points) **Analysis:** Five or fewer bullet points summarizing the preliminary analysis of your results. You are expected to refine this for the Final Project Presentation.

It is okay for the content to be rough and in draft format for this assignment. Please note that your submission must not contain links to external content.
